

# Extended ADC Program

## Monday & Friday APRIL 2008

Each Monday of the month we will be visiting The Dragonfly Studio in Cedar Grove for Art Classes from 10:30-12:30 am. This month it will be the 7TH, 14TH ,21ST AND THE 28TH.

We will be working on a variety of projects per month.

The 4th of April we will be welcoming Danze Innovations as they reminisce about another famous person in history!

Welcome Lucy Sutter for chair massages ON THE 11TH IN THE am!  
We will then have a nice lunch out!

On the 18th, let us make a trip to the turtleback zoo! We have not been there since last spring. Let's see what spring has brought to the zoo, maybe some new additions? Maybe then we can take a local lunch at Pal's cabin for some of their wonderful and famous mushroom soup!

The 25th of April we will be going for a picnic lunch and scenic outdoor walk at Verona park in Verona! Bring a light jacket and let's watch the park at full bloom with people and wildlife!

*Each monthly schedule will change except for the visit to the Dragonfly studio which will take place every Monday of each month unless holiday or closed.*
